

YOUNG ARTS POTTERY PROJECT 2019

SOUTH ASCOT VILLAGE SCHOOL

The classroom is prepared for the pottery workshop

The children begin moulding their pieces

Nest boxes are all ready
and waiting for the birds

As well as birds, the children also made Halloween figures

Glazing the pumpkins

Firing the pumpkins

THE BIRDS

On 3rd December 2019 a group of children from South Ascot Village School came to our lecture meeting to tell us about how they made their pottery birds and Halloween figures.

Eloise Volschenk, our Young Arts Representative, introduced the children to our members. The children spoke very eloquently, describing what they had done.

Our members were most impressed with the children's work and the confidence with which they spoke.

The children had really enjoyed their pottery workshop and gave it a 'thumbs up'
